

Sports Physicals at OSS

The OSS Health sports medicine team is committed to continually serving the needs of our student athletes through this difficult time. It is our goal to accommodate as many of the fall student athletes as possible, while keeping them safe in the process. Here is the information student athletes and their parents need to know:

- This summer's physicals will be open to **Fall School Athletes only (grades 7-12)**.
- Masks and a screening questionnaire will be required at all appointments.
- Arrive with all paperwork completed.
- Physicals should be scheduled during clinic hours at the following locations:

YORK:

1855 Powder Mill Rd.

717-747-8385

WEST YORK:

1665 Roosevelt Ave.

717-747-8385

MECHANICSBURG:

856 Century Dr.

717-747-8387

HANOVER:

470 Eisenhower Dr.

717-747-8387

While we understand this is a change from previous years, it is necessary to modify the way we operate sports physicals this year due to the COVID pandemic. We thank you for being patient and working with us to reduce exposure and spread of the virus. We look forward to serving our student athletes on the sidelines this fall.

We ask that a legal parent/guardian accompany the student athlete.
